"In the unremitting dailiness of family life, insight can be blunted, virtues taken for granted and minor irritations magnified into frustrations so that people forget to give honor where it is due." (M. Cousins)

Therefore, we the graduates of South High dedicate our 1981 to *our parents*, who have been understanding, sacrificing, loyal, loving and most of all concerned.

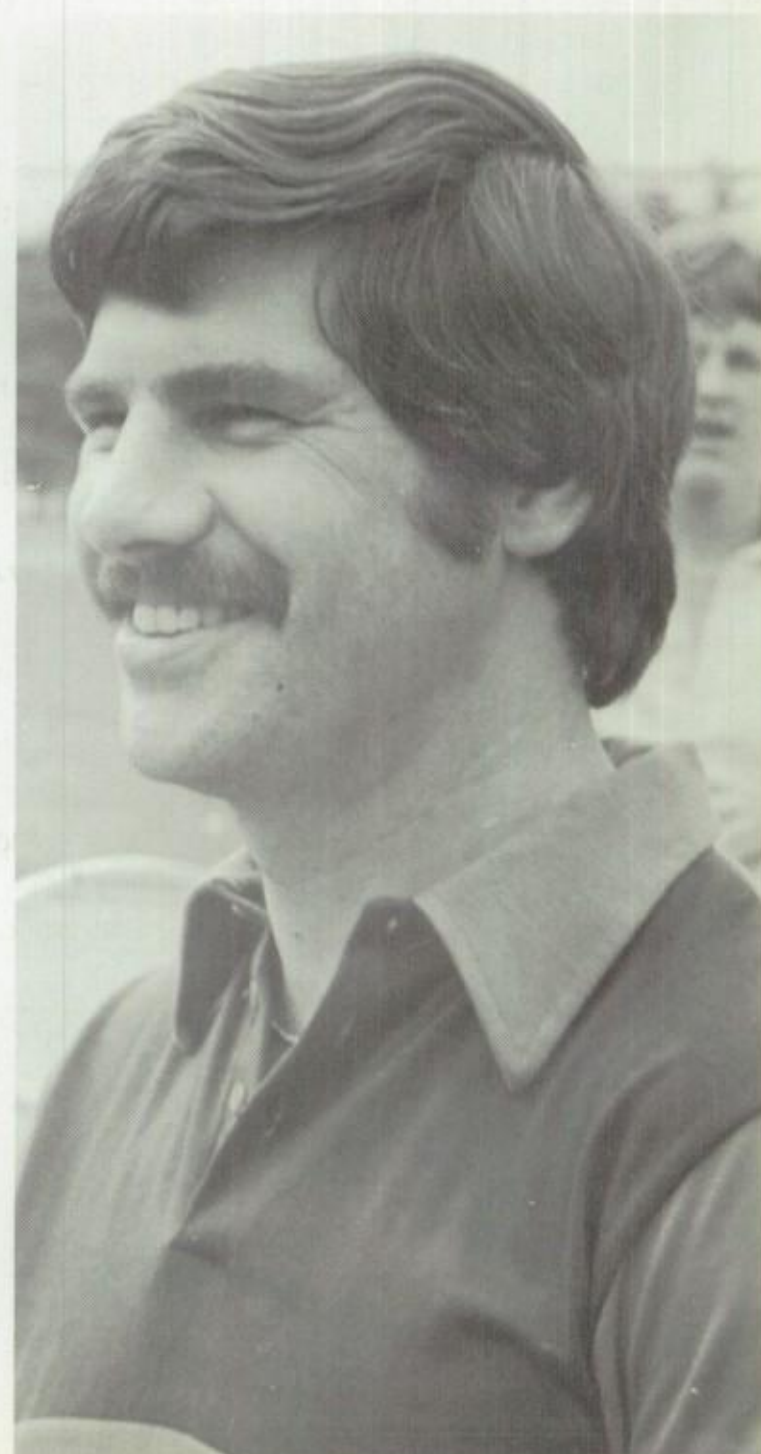

In our own special way, we HONOR and THANK you.

IN RECOGNITION . . . LARRY SMITH

This recognition is for the man, father figure, and coach — *Larry Smith*, who through his perseverance and dedication has become a model for all who know him to emulate.

Thank you for "reaching out" to us, Coach Smith.

JUNE: "Hey Kate, can you believe we're seniors and finally going to graduate?"

KATE: "I know it . . . this year has gone by so fast. Steve remember our freshman year?"

STEVE: "Yeah, I remember the formal . . . nobody even danced."

JUNE: "All except for the girls . . . we got up and danced with each other. That looked so stupid."

KATE: "That certainly was an experience."

STEVE: "What a year. We loved to boss around the underclassmen."

JUNE: "Yeah, but our sophomore year brought some big ups and downs."

KATE: "I know. We were at the bottom of the ladder and everyone picked on us."

STEVE: "That was to be expected . . . I guess. The only good thing was that we were finally out of the junior high."

JUNE: "I remember everybody joined all the clubs — then never showed up for half of them."

KATE: "But I think our junior year was the best of all. Our class became much closer and participated in a lot of activities."

STEVE: "Remember the Prom . . . what a night. It was fun but I'm glad it's over."

KATE: "After all that, I'm glad we're seniors and our high school days are almost completed."

STEVE: "Senior year was a lot of fun — all the teams finished first in the Foothills Council — that sure is a great note to go out on . . . I'm going to miss everybody . . . KEEP IN TOUCH

Phone Message to Graduates:

We, the Editors of the Arrowhead Yearbook, have chosen "REACH OUT AND TOUCH" as our theme since we regard "communication" as the key to our past and our future. Although our views have differed at times with faculty, administrators, parents, friends and foes, we feel, as a class, we have always been receptive to an open dialogue. Over the years, our class has reached and maintained a mutual understanding and respect for individual groups. Furthermore, we all have interacted together in various activities and sports. During the past four years our friendships toward each other have expanded and enabled us to "Reach Out and Touch" someone for the rest of our lives.

In the future, we wish this book to represent and remind all of our willingness to communicate, to reach out, and to touch . . .

Best Wishes,

Kate Kusnierz

WE, THE CLASS OF 1981, BEQUEATH THE FOLLOWING:

I, **JEFF POWERS**, leave to Coach Harland another shot at the championship and to my favorite person, Bobbi Lynn, I leave one last hellified year.

I, **DAPHNE CARRUTHERS**, leave to Miss King all the days we battled it out in first period. I leave Mrs. Grace all the good times we had third period 1978.

I, **BRIAN SEXTON**, of not so sound mind, leave Mr. Pelkie one thing — my little brother.

I, **SANDY ST. JOHN**, leave my sister Linda so she can take over where I left off.

I, **KERRI KIERNAN**, leave Debbie Zervas a white stripe, Tom and Cutrese White god parent rights; Kevin Palmiero my brains, and Bubba boxing gloves.

I, **VICKY TERESKO**, leave Mr. Sheahan one big "PROFIT"; to Kim I leave John; and to the class of '81 my unique laugh.

I, **TAMMY TRACY**, leave to Benny all my love forever, to Mary I leave 10,000 cartons of Marlboro so she doesn't have to smoke Canadian butts, and to my parents I leave a thanks for all they have done for me.

I, **BRIAN GOODSSELL**, leave to Coach Harland another person to help him with calling fouls in gym class.

I, **TIM GLEASON**, leave the South High soccer and baseball teams the best of luck next year, the rooms and the halls of South High forever, and most of all, I leave Tammy all my love and all my tomorrows.

I, **ANASTASIA ROBAS**, leave to Mr. Braim my jumbo sized flask to intoxicate his teaching years at South High. To Mr. Shevy another "Dizz Team." To Mr. Pelkie two more candidates for "Miss Study Hall 1981."

I, **MIKE MURPHY**, leave Mike Green and my brother every morning when they drive to school, Mr. Sheahan my 11th grade history book, finally; and I leave Pelk the thought that freaks never die — they just move to another spot.

I, **CHRIS LEOMBRUNO**, leave Miss McCarthy one snickers bar and to Mr. Hyde a one way ticket to the Middle Ages.

I, **TONY ROZELL**, leave Ma Powers her closed-circuit T.V. system.

I, **KIP DARE**, leave South High and all the things that make you unhappy like from Monday through Friday.

I, **KAREN BROWNELL**, leave Mr. Carey all of my health notes; I leave Mr. Baker all the fights in gym; and I leave Dave a pair of hiking boots.

I, **MARK PLOOF**, leave Chris Morin my #10 soccer uniform, and I leave Stoney a life supply of diet-pepsi.

I, **MARK LANE**, leave to Bob Munger all my dedication and running skills, and to John Corcoran and Jon Palmer (alias p.p.'s), I leave a lot of good times.

I, **CATHY SASSONE**, leave Mme. P. a pair of shoes that match. To Kimbees, Janey-Waney and Squints, memories of "D" day; go carts, 5, 4, 3 . . . , and to Mom, Dad, and Mr. Clough — thanx.

I, **JEFF WILLIAMS**, leave to Coach Harland many more successful years with football, to the class of '81 many years of success, and I leave South High for the first and last time.

I, **SCOTT WOOD**, leave never to return.

I, **KRIS WHALLEY**, leave to Mrs. Fish the many terrific memories of her 1979-1980 German 3 class. I also leave to Mrs. N. many more classes that won't understand Chemistry. Also to Mrs. Tessier, I leave a bag of cookies to make bets with.

I, **CHRISTINE GAGE**, leave Pam someone worth while, Jason some new tunes and all the great times to come, and to Miss Springer more walls for me to run into.

I, **KIM ROSS**, leave to Mary Donohue the skills of J.P. Le Blanc to be a playing coach in her senior year. I also leave this school a very much improved athletic program for women. Also I leave Mr. Carey an extra mouth so he has at least one clean one to eat with and finally I leave an extra special thanks to Mom, Dad and B.G.

I, **LOIS VALYER**, leave behind all my bad memories at South High and to the class of 1982, all the anxiety of waiting for the day of graduation to come.

I, **CINDY PAGAN**, leave D.B. "flying forks" to Denise more of Mrs. Hyde. To Jen, many thanks for being like a sister to me. To my friends, remember me as I will you. To Mike, I'll always love you, thank you for being a friend.

I, **MICHELLE BACKUS**, leave Mr. Hoover the name "Wabbit" to remember me by. To Kim Ross and Donna Nichols I leave the memories of elementary school and to Cathy Sassone all the great times we had in study hall.

I, **SHELLY BOVAIR**, leave to Mr. Pelkie all the prisoners yet to come to South High; to Ken I leave my love, and to my sister Donna and brother Donny a lot to look forward to. Good luck.

I, **TAMI BENNETT**, leave Mr. Pelkie my sisters Debbie and Karen — (they dance too!) and I leave behind all the fantastic, wild times to all the new freshmen coming into the senior high school. To Mr. Sheahan — I finally passed! Thanks.

I, **RICK LANCE**, leave "Rob" a bottle of Southern Comfort to christen his jalopy with, and I leave Mrs. "N." an organic compound — segum 7.

I, **KAREN FULLER**, leave to all my Wilton friends many more hellified parties; to Mr. Sheahan, I leave a huge velour bath towel to give to the person in the front row; to Leslie, sleep, to Gage a week in Europe and to Jason — many more parties and concerts and our friendship forever.

I, **DONNA SANDERS**, leave to Mr. Pelkie and the teachers of our school my brother to dazzle them with his brilliance and also congratulate this school for successfully graduating our class. To Cathy Sassone — I get L.S.

I, **HEIDI WASHBURN**, leave to Anastasia my appreciation for understanding me and all the good times; to Mr. Shevy my "pink" thoughts; to Mr. Marcelonis many thanks for teaching me so much about business; most important I thank my parents for helping me all the way.

I, **MELANIE DOW**, leave Mr. Hoover no more in my family to remind him of Sharon.

I, **MARK SHELKOPF**, leave Ma Powers another spot for storm trouping.

I, **TIM LAWRENCE**, leave Coach Harland the best of luck with his future football teams; Mr. Carey a new V.D. movie; Mr. Hoover the luck to get a 12 point buck; Mike Girard future happiness for being such a good guy, and Stoney a 50 foot antenna for his school stereo.

I, **SHAWN PHELPS**, leave Stoney a diamond in my van and hope that someday he could fit through it; to Beth, I leave all my love.

I, **MIKE NERONI**, leave Mrs. Boeher my college meetings to go to when I'm gone and to my parents and God, thanks for everything.

I, **THERESA LAWRENCE**, leave Dave Langdon "Sorry, Dave — there are no more Punes left!"; to Mr. Pelkie a piece of gator gum so he won't run out of spit to shine his bald head and to the seniors "We're wild!"

I, **SCOTT AUBREY**, leave to my sister Shirley, all of my Health and Chemistry

tests. To Miss Carbino, two more Aubrey's to have in home room; to "Kristel B." I leave one "crabby French waiter"; to Mrs. Fish I leave her these words: "Stehen sie auf!"

I, **CONNIE WALSH**, leave to Mr. Braim a comb so he can also have "comb elbow."; to Mr. Truesdale I leave all the Heckyl and Jeckyl's of the future and to John, I leave all my love and my future.

I, **MARGARET SOUTH**, leave to Mary Cavanaugh one million boxes of Marlboro's, and the good times we've three shared. I leave to Tammy Tracy my thanks for all she's done and the future good times.

I, Mr. Hoover, leave Rob Pratt a good blood test; to Tom Kelly a life-time supply of moguls; and to Susan Lemery a course in "Modern Fascinations in Physics."
I, Frau Fish, bequeath the following: To Debbie Brown - a job translating for a German hockey team; to Steve Washburn - Franz Beckenbauer's position on the Cosmos; and to all German students - the pleasure of a visit to the Lorelei.
I, Mr. Yule, bequeath the following: Tom Kelly - the "College Tour Guide for Prospective Dentists"; to Joanna Burgess a road map of West Virginia; and to Rob Fitzgerald - my "Coaching Guide to Winning Hockey."

We, Ms. McCarthy and Mrs. Butto, bequeath the following: to Tom Dorrer and Nick DiNicola an antler hat rack for their blue moose burnoose and an irrevocable admission pass to the library.

I, J. Springer, bequeath the following: to Tammy Tierney, Stacy Brooks, Kris Dunton, Daphne Carruthers, Kelly Livingston, Tammy Bennett, and Jean Draisey I leave the memories of that fateful sophomore year. Remember I carry on vendettas.

I, Claire Hunter, bequeath the following to Connie Walsh, super secretary, one dozen red and blue pens, with the hope that she will use every one happily. To Jane Nichols - copies of all the books by F. Lee Bailey, to add to her collection of legal volumes, which should be useful when she becomes the first woman Justice of the US Supreme Court. To Debbie Gorrie, an IBM memory typewriter to type over 200 words a minute and correct errors automatically. This is given in memory of all the good work she did in secretarial classes.

I, Barbara Abbott, being of unsound mind, do bequeath the following: To Laurie Holcomb, a seat always in Mr. Gorman's, Mr. LeBlanc's, and my study hall. To Debbie Pronto, a book of humorous shorthand outlines to give you the giggles whenever you read it.

To Connie Walsh, 12 telephone message pads;

To Dedra Dyer, 11 error-filled purchase orders;

To Michelle Backus, 10 inventory cards written in invisible ink;

To Liz Bacon, 9 ugly bank statements;

To Kelly Livingston, 8 over-due accounts;

To Anne Chase, 7 payroll checks that bounce;

To Emilia Leo, 6 "more" invoice forms;

To Debbie Gorrie, 5 nasty phone calls;

To Pam Sawin, 4 free day receipts soaked in coffee;

To Lynn Maxam, 3 books of out-dated stamps;

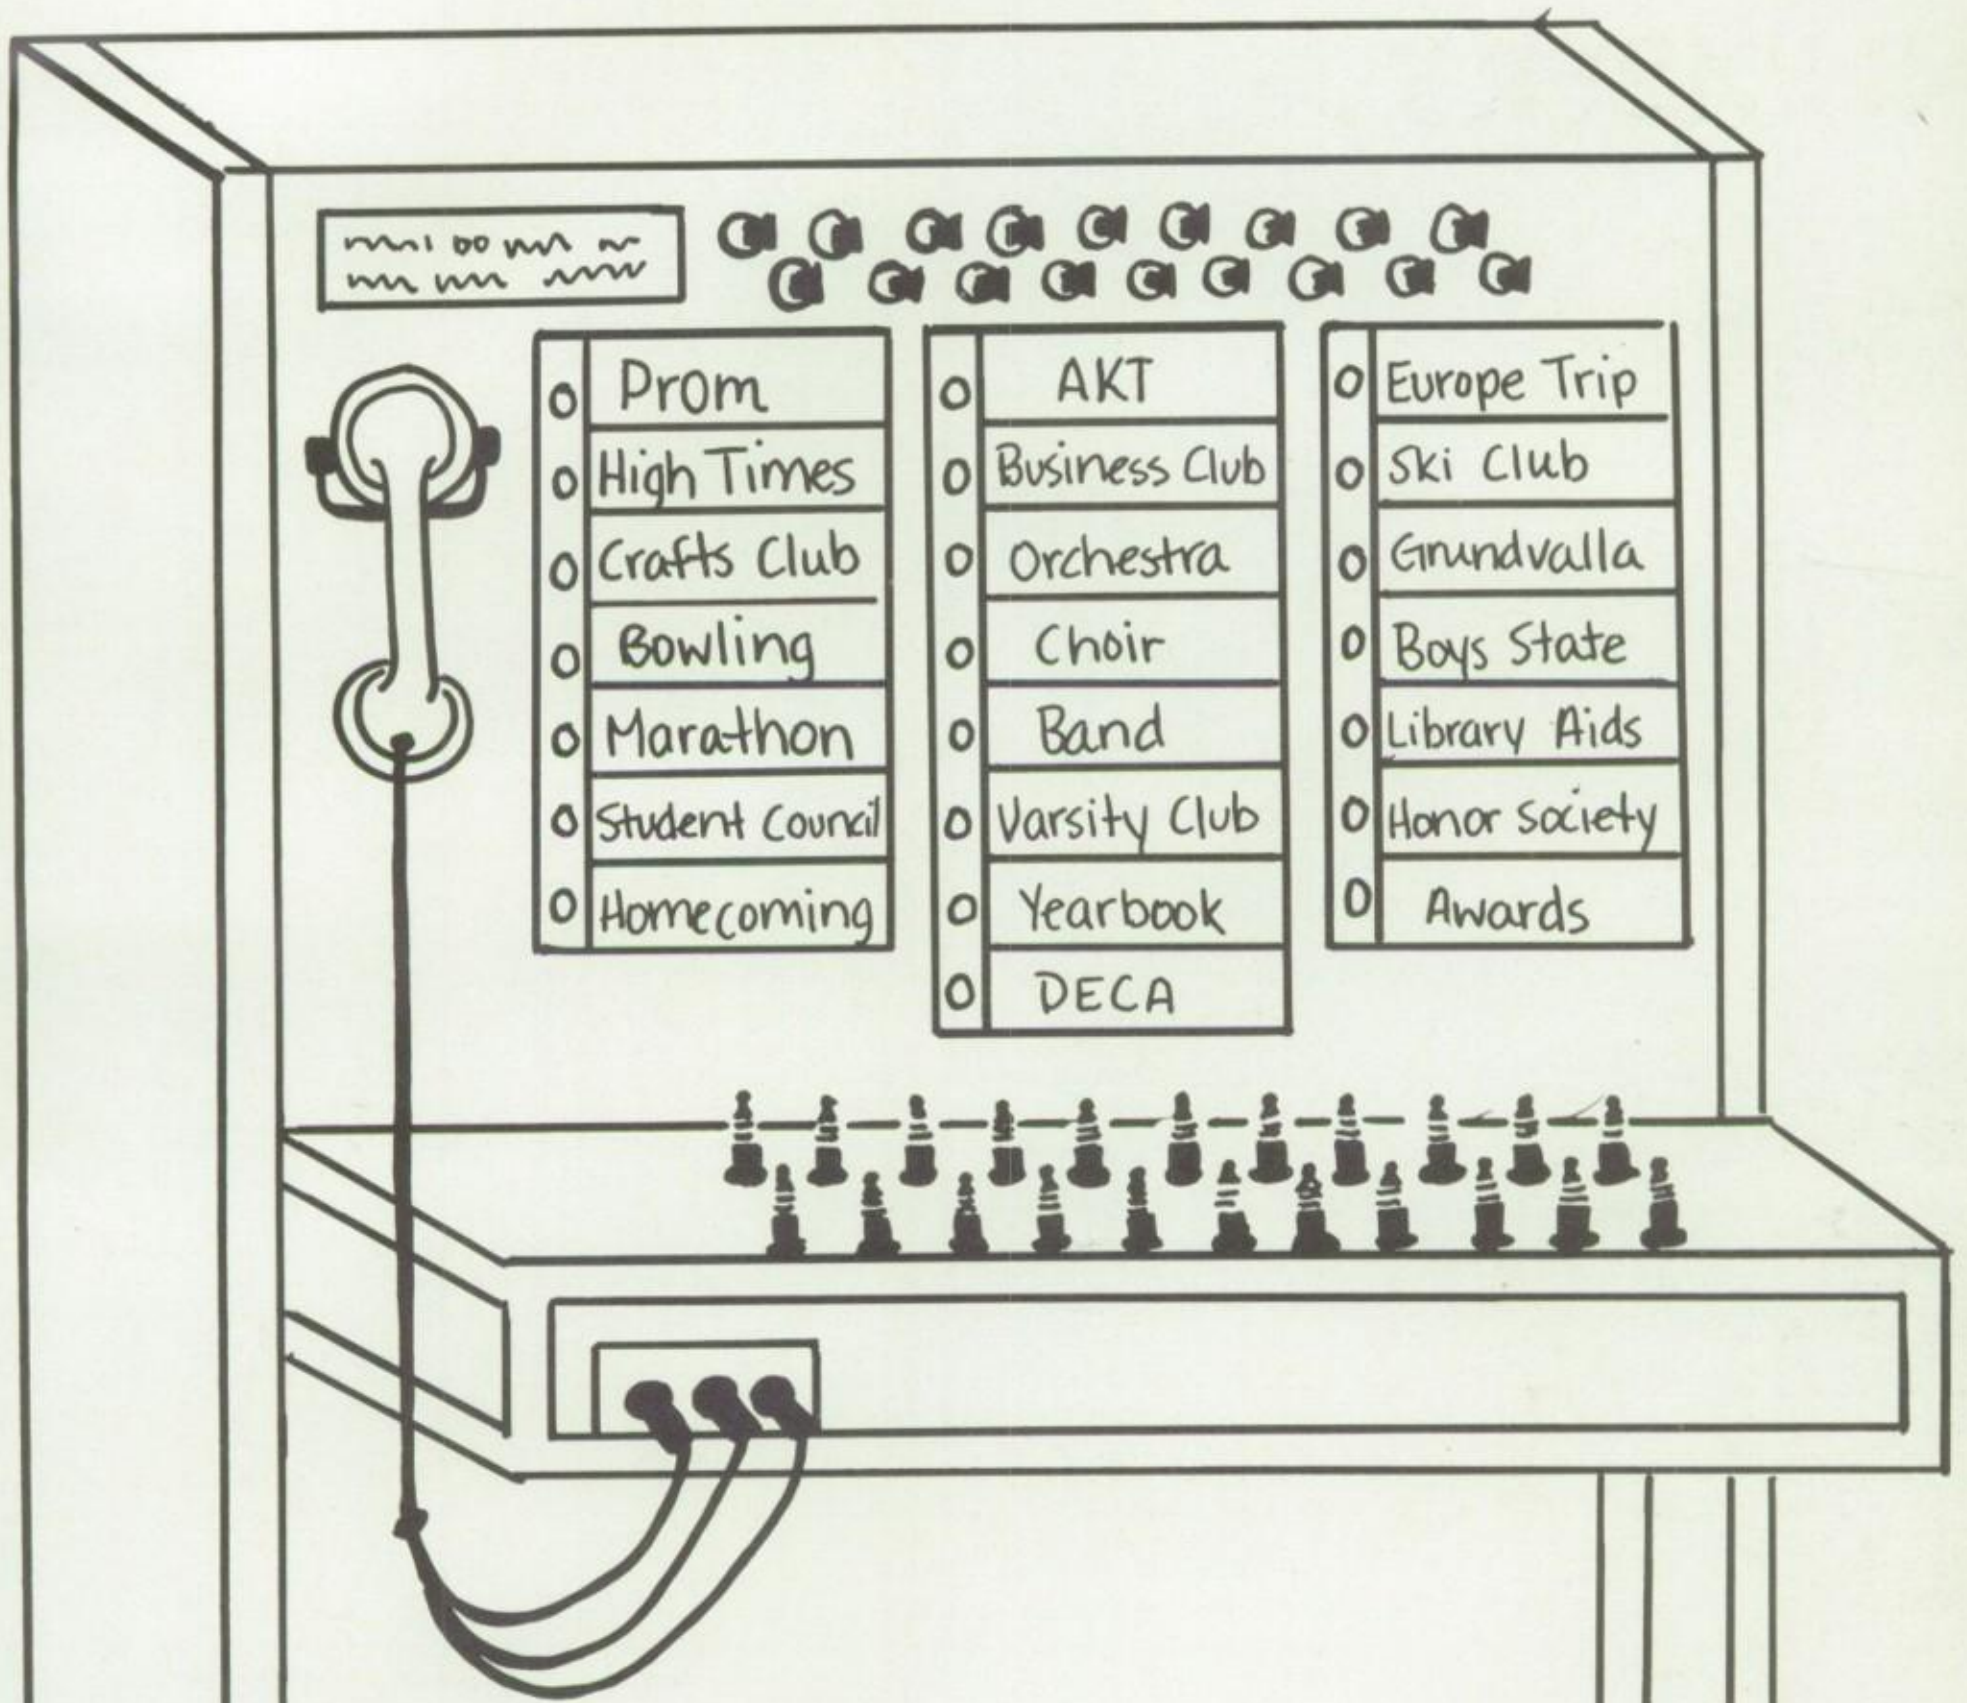

To Melanie Dow, 2 closing entries;

To Tracey DelSignore, a letter with a carbon reversal.

I, Lynne Boecher, leave Jeff Perry a job with the Wildlife Protection Commission. Fred Robillard a book of appropriate tasteful remarks and Tom Dorrer, a lifetime of positive encounters with the Dewey Decimal System.

Most of all, I, the "shrew" of the yearbook, leave the entire staff a lifetime of completed deadlines and sincere thanks and best wishes.

"Trim-line"

The Toga Troop

A sure cure for a backache!

Cooliest Couples in town.

The "White Shadow"

Last year some 100 students were given a buzz through the Party Lines at South High's gym in order to raise enough money for a kidney dialysis machine. The students partied for 36 hours dancing the time away. Directed under Mr. Bill McCarthy, the dance was South High's most productive party-line to date. With the addition of the 50's party and Toga party, the students had fun letting their legs do the walking to ring up 6,500 dollars for the kidney machine.

RETURN CALLS

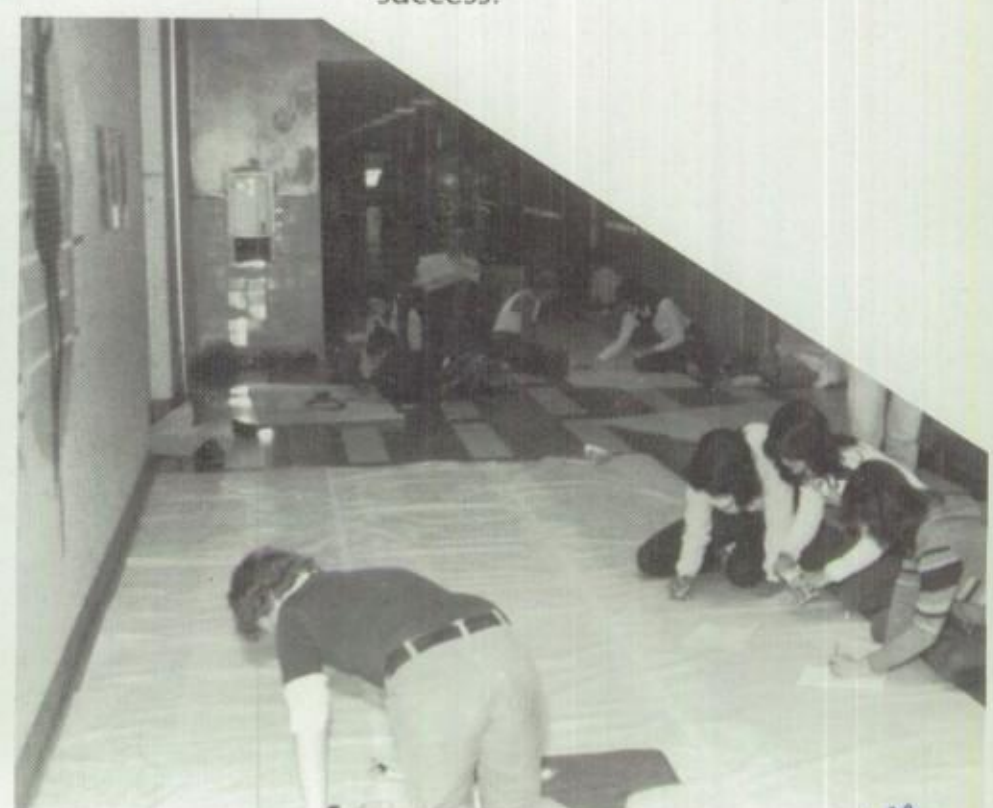

"Does anybody recall what we're doing?"

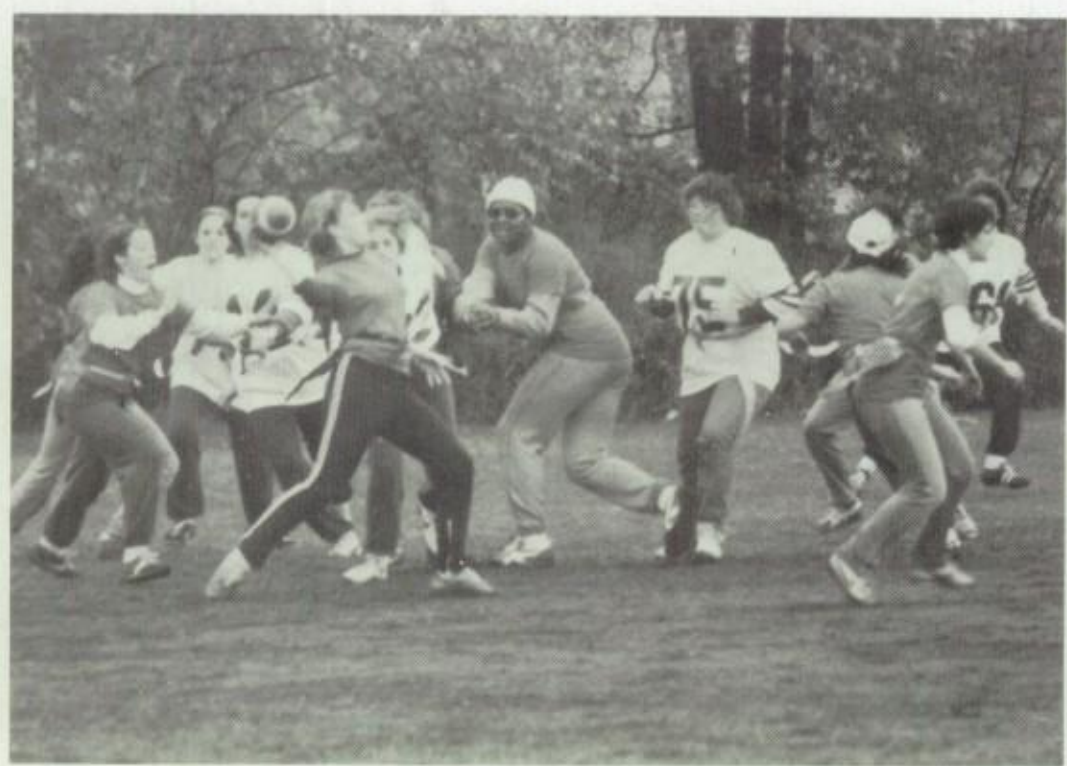

Many South High alumni paid return calls to "The Home of the Bulldogs" during the Homecoming festivities of 1981. Lined with hall decorating, pep rally, soccer and football game, bonfire, dance, powder puff and spirit, the homecoming was a big success.

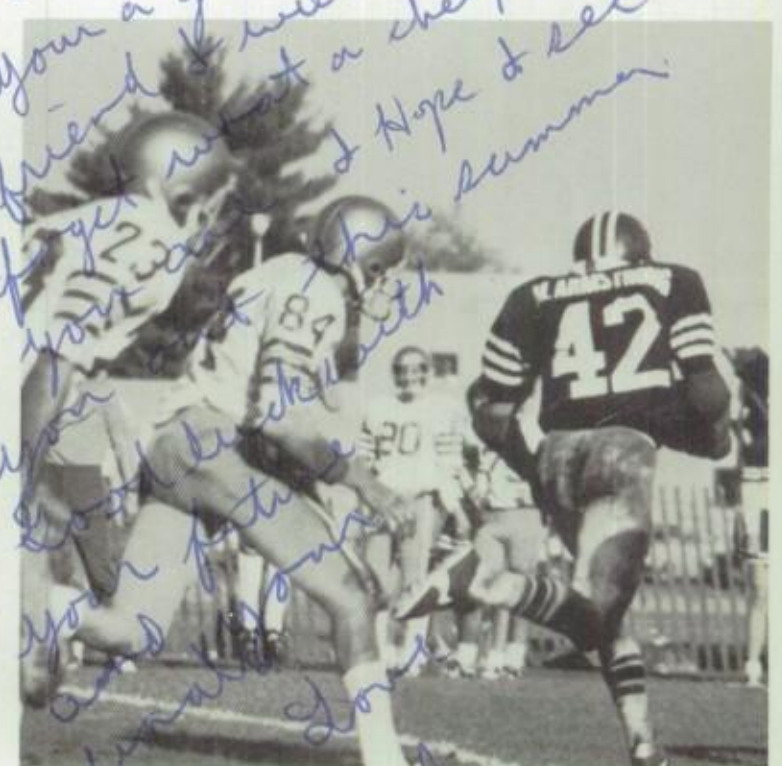

"Hang it up Jennifer!"

"What a shot..."

Jane dials out another six points.

*Cindy,
You're a great
friend & I will never
forget what a cheerleader person
you were. I hope to see
you next summer.

This year Mr. Arthur Merrill and the members of the acting club, AKT asked two questions of their audiences — "What can you do with a shrew?" and "Whodunit?" The answers were transmitted through two entertaining and well-performed plays, "The Shrew" and "Who Dunit?" and also rewarded the cast for endless hours of practicing their "loaded lines."

Oh God! What's my next line?

Prank phone calls have recordedly been an annoyance to people of the South High Directory area, but this year the pranks dialed out by the Varsity Club members were accepted as phoney fun. This year's soccer team, dialing an 18-2-2 record, whaled to South High's most successful boot season ever. Led by the "illustrious" Coach Larry Smith, the Bulldogs cleaned up the Foothills circuit with an undefeated season. With 11 returning seniors, South High sported an incomparable team. The Bulldogs rang through the sectional tournament, capturing both the Section II A and AA titles. A precedent in Bulldog soccer, the advancement to regional play, was short circuited after a first round win over Northeast Clinton by the highly talented New York City team, Goshen.

The 1980 booters were well represented on the Foothill Council All-Star team. First team selections were: S. Butterfield, J. Davis, B. Havens, B. Hayes, D. Perillat, R. Potter, and S. Washburn, while T. Gleason and D. Clough received second team honors.

The 1981 season should be another banner year for South High, with the help of 11 returning lettermen and some promising J.V. talent.

The Varsity Football Team toned up this year and received a well deserved Foothills Council Championship. It was the first championship in 25 years for South High. The 2-0 win over Gloversville, sparked the Bulldogs' play.

The Bulldog defense was excellent this year. They gave up a measley 62 points all season, the best in the league. The staunch defense recorded 5 shut-outs in eight games, three of which came in their last three games. The defense was spearheaded by All-Capital District defensive end Bob Vishneowski, who led the team in tackles. Other strong performers were Mark Armstrong, and Mike Allen.

The Bulldogs' success was a total team effort, however. The defense stopped the opponents and the offense scored the points. The offense scored fewer than 20 points a game on only two occasions. Jeff Powers had an outstanding year throwing for over 900 yards and 12 touch-downs. Mark Armstrong was another player to have an excellent season, rushing for over 500 yards. For receivers, Powers had Bob Vishneowski and Chris Langworthy. Langworthy led the team in receptions and in yards receiving with nearly 500 yards. Much of the success of the offensive unit goes to the offensive line, who opened the holes for the backs.

The 1980 season was an emotionally charged one for the Bulldogs. It was a year for every member of the team and all the fans to look back on and take pride in. Congratulations Bulldogs!!

The 1980 *Golf Team* had many new and inexperienced members. The Record was 0-8. Improvement by the team will have to be put on hold until next year. They had some bright spots however. They lost to Johnstown by 7 and 16 strokes which were impressive showings.

Coach Jenkins, J. Palmer, T. Kelly, M. Lane, K. Kennedy, R. Jenkins, J. Brennan, J. Helman, B. Jenkins, C. Jones, B. Munger, C. Randall, P. Brown, J. Corcoran, B. Sherman

The South High *Cross Country* team had a respectable 1980 season posting a 3-6 overall record and 1-5 in the Foothills Council. Mark Lane was our top runner, taking first in six meets, 4th in the Foothills and 6th in the sectionals. John Brennan also had a good season coming in the top five in every meet. Returning veterans Tom Kelly, Pete Brown and Chuch Randall as well as our outstanding rookies Bob Munger, John Corcoran and Brad Jenkins provided depth to the squad. The team rang in respectably all season.

They created numerous posters decorating our school and showing support of our teams. Their voices resounded at Basketball, soccer, and football games, showing our competitors the spirit that South High possesses.

They dialed out the right number to overcome the eleven year jinx and beat Queensbury by a score of 38-34. The team was hampered this year by numerous injuries but kept coming up with the right numbers to place second in Foothills Council behind Ballston Spa.

The two captains of this year's team, Steve Butterfield and Howie Weller, along with Dennise Ide will be hanging up their uniforms for the last time. Howie Weller suffered an injury to end his season early, while Butterfield connected as the Class B Champion at 132.

BOYS TRACK

The **Boy's Track Team** hit a wrong number as they struggled to a 0-5-1 league record. However, there were some bright tones to the season. The team finished second at the Mt. Anthony Quadrangle and had a third place finish at the Granville Invitational. There were also several outstanding individual achievements in the sectionals. Dick White took first place in the shot put, Tim Carota was third in the discus and Jeff Ball was fifth in the 400 yard dash. Leading scorers were T. Grace, 89 and J. Ball 81.

The 1980 **Girl's Track Team** was hung up by inexperience. With many new faces they struggled to a 2-10 overall record. Leading point getters were Kathy Kennedy with 54 points and Karen Brownell with 40. One of the highlights of the season was the qualifying of both the 400 meter and 800 meter relay teams in the Section II run offs.

A Message to Seniors in the Class of 1981

- A time to Think
- A time to Play
- A time to Cheer
- A time to Complain
- A time to Stand Together
- A time to Grow

These are but a few of the actions which you, as a graduating Senior, have had the opportunity to go through these past twelve years. To some, the experiences have been painful. To others, the years will be looked upon as going too quickly. Whatever your experience, may I join all faculty, parents and fellow students in wishing you all of the happiness one can have.

In a world of turmoil, you and your classmates have given hope for the future. Your kindness will not be forgotten. Best of luck in the future and always reserve a place in your heart for South High.

Sincerely yours,

Clarence L. Pelkie

"Are you sure you looked it up correctly?"

Can't you just hear one of the members of the *English Department* saying that? Robert Porter heads this intellectual group of teachers who are ready to help you correct any wrong numbers that you may encounter. Available to the students in the English curriculum are such courses as Academic English, Film Art, Mysteries, Short Stories, and Poetry.

The *Social Studies Department* makes long distance calls into the past to review the failures and successes of our progenitors. Mr. Grassia encourages his staff to relate the present as well as the past. Courses dealing with human relationships, the mind, and society are also available. These are Psychology, Con. Ed. and Sociology.

Area code . . . Wrong numbers . . . Zip Code . . . it looks like we're heading toward a world-wide takeover by numbers, and the South High Math Department is ready to prepare students for combat. Chief Operator Thomas Gorman heads this department, which has a curriculum of courses ranging from basic Math to Calculus.

Recently added to the system was Computer Math. This course will be assistance to the future operators of the computers in the business world of tomorrow.

The *Science Department* installs in the brains of students the dialing techniques of Biology, Chemistry, and Physics. Upon receiving this information, students are then able to pursue advanced courses in their future years at college.

The excellent staff headed by Mr. Munoff provides the students with pertinent information as well as experimental proof.

Various courses emitted by the Home Economics Department include Child Development, Interior Design, and Adult Living. Miss Sue Ann King is a recently added operator to the South High staff. Students learn how to deal with the hang ups they will encounter further down the line.

Dave Robinson, operator of the Industrial Arts Department, helps students acquire skills to perform housing and home services. Students receive practical instruction in woodshop, metal shop, and the operation of various tools.

"Is your dial tone in tune?" If not, contact Mr. Shevy, Mr. Lyke or Mrs. Buchman of the *Music Department* for the correct wiring. Just about every instrument between band and orchestra is taught at South High. These two groups put on concerts in the spring and winter. Mayola Pattison, in charge of our *overseas department*, helps with the dialing of long distance numbers. Starting in the fall of 1982 with the freshman, our business department will see major revisions. This will be due to the state Education Department and its survey of 2700 businesses. The changes based on the survey will include: bringing up to date and revising present courses, adding new courses, and the addition of two state tests.

"Are you flabby, over-weight or out of shape? If so, dial the physical education staff." The three ways of calling Coaches Harland, Springer, and Baker allow students to dial and receive a variety of physical fitness programs. The curriculum offers individual, team and coed experiences.

WILLIAM MC CARTHY

The Art Department, under head operator Bill McCarthy, offers such numbers as art studio, creative crafts, pottery, drawing and painting, independent study, and advanced courses. McCarthy sees print making as the future connection for his department. This would involve doing everything a potter does and would demand a high quality of work. Creative numbers are the only thing dial-ed here!

B.O.C.E.S. was created in 1948, so that greater educational opportunities could be transmitted to students. Many students from our school and other area schools attend B.O.C.E.S. They are trained in the trade they have chosen, and will be able to connect with careers in that field. Some hot numbers offered are:

- Food Trades,
- Data Processing,
- Building Trades,
- Nursing,
- Diesel Mechanics,
- Air Conditioning,
- Appliance Repair,
- and Machine Shop.

Cindy -

It's about time we decided to sign these yearbooks, huh? Well, I delayed because I was thinking about what I was going to say. Now, what can I say? You know something? I'm very confused. Why? I don't really know. It's just that there are so many hang-ups everyone has them. Why me, though? You know my major one, without mentioning any names. Well, it's just that she lives so far away - I try, well, I've tried to love her, and I did - ONCE. But, lately, it's been really hard. I've wanted to call and say "Hey, let's be friends." But, Cindy, I honestly feel that I'd get a call the next day saying "She's had a stroke." Seriously, though, I know she'd be crushed. I don't want to hurt anyone. I don't mean to hurt you, Cindy. I care about you very much. I know you feel a lot more for me than "friends." But then again, we're hardly your typical "friends." True? Think about it - we've done everything but the magic thing - ROMANCE (as most spell it - SEX). Cindy, maybe someday I'll feel differently but I could not picture myself, right now - ALL OVER you, or something like that. Can you? We're just not used to that. I can't really explain it, but that's how I feel, ok? Our relationship to me is great! Cindy, if we were "going out," I know a lot of things would be different. For one I know we wouldn't make each other laugh as much as we do now. We probably would think we were too grown up for that. You know what I mean? We'd be too busy for telling jokes and cheering each other up. Cindy, you're my best companion. We've stuck through more problems and came through like sunshine (pardon the pun). I bet you think if we were "going out" we could still talk to one another like we do now! You see, I don't want to lose that quality of you. You listen to me so freely. I love you for that. Because for one thing, what would we talk about? Certainly not Laura - she'd be out of the picture, RIGHT? Bear with me - I'm stubborn, but Cindy I need time to think things ahead (again, pardon that nasty pun). OK?

Now, future, present, or past? Which should I delve into? OK - PAST - Stoughton (Roy, Special Olympics); SPAC (JT, Renaissance Dookies) CIVIC CENTER (Beach Boys, Frampton, Cheap Trick - "yes, I'm awake"). 30, 26, 16, etc.; y'arscholch; who's ya up to?; A-A-A-yyy; B-E-A-S; SCRATCH ya; punksport; C-Rite

Cindy,

Always remember all the fun times we've had. Dinner at Egan's & the Dinner Dance. We made it - even though 11th grade history almost did us in. You're a super sweet person and always laughing - Keep smiling and good luck in the future. See ya! Love, Kim
